B I O

Garnering rave reviews throughout Ohio and the surrounding states, Lone Raven perform an eclectic blend of traditional music from various areas of the world, as well as their own original compositions.

With over 20 instruments on stage, the band soars through everything from fiery Irish reels to Gypsy fiddle tunes. Their instrumentals are fueled by the twin fiddles of Elizabeth Blickenstaff and Kara Markley, while being driven by an explosive rhythm section consisting of Craig Markley and Sid Omasta, and featuring the award-winning guitar playing of Neil Jacobs. In addition, Kara’s highly acclaimed vocal stylings are showcased throughout each concert, performing songs in English, Irish Gaelic, Latin and others.

With this in mind, it is no wonder that Lone Raven are considered one of the region’s most “in-demand” acts.

The band and its members have recorded a total of eleven CDs, including their newest release, “Flight to Hinterland”.
